General Information

Obtaining a Queensland Weapons Licence - Category H

STEP 1

Eligibility and Membership of approved pistol clubs

A person cannot apply for membership to an approved pistol club unless that person submits with their application for club membership the following information:

- Evidence of a current Firearms Licence;
- If you are not a licensee, you will need to provide a current "QP0515 Statement of Eligibility" issued by the Queensland Police Service (Weapons Licensing Branch). The document shows that you are a fit and proper person to hold a license. This statement is current for 3 months after the day it is signed by the Authorised Officer, Weapons Licensing Branch.

Procedure for obtaining Statement of Eligibility from the Queensland Police Service.

- Submit form "QP0515 Application for Statement of Eligibility" to join an Approved Pistol Shooting Club at your local police station. There are no fees applicable when submitting this application. A Statement or Notice will be sent to the applicant at the address provided on the application.

Once you have received your Statement of Notice from the Queensland Police Service, obtain two (2) character references, complete a Pistol Club Membership Application form and submit it in person with payment. You will also need to make a declaration that either you are a current member of another approved shooting club or that you are not a current member of any other approved shooting club

STEP 2

6 Month Probation Period

During your probation period you are required to attend and participate in;

- A minimum of 3 handgun shooting competitions in the 6 month period prior to you applying for your license. You are encouraged to participate in more competitions, if possible;
- You are also required to complete a Course in Firearms Safety for Category H Firearms.

Procedure to follow before and on arrival at and whilst on the range at an approved pistol club

- Please phone and arrange or personally attend the range and notify staff that you wish to participate in a pistol competition. This is to ensure a Range Officer will be available to supervise your shoot. Whilst you are unlicensed during the probation period and when using a firearm you **must** be supervised by a Range Officer;
- You **must** pay range fees and sign the range register before you shoot;
- You **must** complete a Form 33 (Weapons Act Section 53) before you shoot;
- You **must** have photographic proof of identity every time you attend the range to shoot (**NO ID, NO SHOOT**);
- You **must** have your QP-516 Participation Card which is to be signed off at the completion of each competition and at the completion of the Safety Course;
- You **must** wear enclosed footwear and it is highly recommended to not wear loose clothing. Hot ejected cases will burn the skin;
- It is **strongly recommended** that as a condition of entry you wear eye and ear protection at all times whilst on the firing line or in close vicinity;
- You **must** follow all directions given by staff and Range Officers whilst on the range. Your safety and that of others on the range is of the highest importance.
